

Childhood Studies

If you're a caring, responsible, patient and creative person then a career working with children will suit you.

As a childhood studies student you can choose from a wide range of career pathways leading to jobs in education, community work the early years SEND.

We have great working relationships with many employers who provide valuable hands on experience to help students develop their skills and knowledge

Did you know?

The Childhood Studies team secured placements for all 99 students by the third week of the first term.

Our courses include both practical and theoretical elements designed to help you learn the transferable skills you need for your chosen career.
