

Hair and Beauty

At Chesterfield College, we have a wide range of hair and beauty courses on offer including hairdressing, beauty therapy, makeup artistry, sports massage and complementary therapies.

As one of our students you'll study in our very own hair and beauty salon. Here you'll have the opportunity to practice your skills with your peers, as well as provide treatments for paying customers in a commercial setting.

Our expert tutors have years of experience working in the industry and will help guide you to ensure you leave us with the skills and knowledge you need to excel.

Did you know?

Hair and Beauty staff organised 15 amazing industry talks throughout the year. This positively impacted on student CVs, career planning and progression.
