

Business

From major corporations to small and medium-sized enterprises (SMEs) and sole traders, businesses provide a vital contribution to communities. They create income, provide wealth and lead innovation and creativity across all sectors.

At Chesterfield College, you will have the chance to study a wide range of topics, from sales and marketing to finance and enterprise, providing a fundamental understanding of the world of business.

There are both theoretical and practical elements to our courses which have all been designed to develop your employability skills.

Did you know?

Our work experience opportunities and guest speakers provide a unique perspective from industry experts.

Business
Administration

Level 3

Business

"Every module of my course is relevant to business. A lot of it is quite specialised as well. The unit I have just completed was international business and that's very similar to what I'm wanting to do at university so it's all very interesting for me."

Ross Cassamenti
Level 3 Student
