Childhood Studies

If you're a caring, responsible, patient and creative person then a career working with children will suit you.

As a childhood studies student we prepare you for a wide range of career pathways, leading to jobs in education, family support and SEND.

We have great working relationships with many employers who provide valuable hands on experience to help students develop their skills and knowledge

Did you know?

Our team all come from industry backgrounds, experienced in settings such as Nursery, Primary and Secondary Schools.

Our courses include both practical and theoretical elements designed to help you learn the transferable skills you need for your chosen career.

Level 1

Caring for Children

Level 2

Early Years Educator

"Work placements are the thing that I've really enjoyed. My favourite placement was working in a nursery. I did the nursery placement last year, I loved it so much that on my day off, I go back and help out. I'm hoping to get a job there."

Tilly Clarke
