Construction Studies

We can provide you with the knowledge you need for a successful career in construction.

We offer trades such as brickwork, joinery, carpentry and painting and decorating, to the skills you need for professional construction roles.

We also have our live, working, award-winning construction skills hub at Mastin Moor. A housing development providing students with real world experience.

Did you know?

The Construction apprenticeship team supported 22 Carpentry & Joinery apprentices to achieve 100%.

As a construction student, you'll be able to take advantage of our purpose-built construction facility, East Block One. It has several state-of-the-art workshops which have been fitted with all the latest industry-standard equipment, enabling you to develop high level skills in your chosen discipline.
