Beauty Therapy

Discover your future in beauty therapy at Chesterfield College. From skincare and facials to waxing, massage and gel nails, our courses offer the practical training and client experience needed to develop your professional skills and thrive in the beauty industry.

Did you know?

Tutors have strong industry links, working closely with leading brands such as Eve Taylor to bring current expertise, specialist training, and enrichment into lessons, ensuring students develop skills in line with professional standards.

As a beauty therapy student, you'll train in Lift, our fully equipped professional salon. You'll begin by practising your skills with peers, before progressing to delivering treatments for real, paying clients in a commercial environment. This hands-on experience prepares you for the expectations and standards of the beauty industry. Our highly experienced tutors have worked across the beauty

industry and are dedicated to supporting your development. They will guide you in building the professional skills, product knowledge and client care needed to succeed in your career.
