Hospitality and Professional Cookery

Our hospitality and professional cookery courses will give you the skills you need to succeed in this demanding and dynamic industry.

Whether you aspire to work front-of-house or in a professional kitchen, you'll learn from our expert tutors, each with years of experience in fine dining restaurants and prestigious hotels. You'll have the opportunity to refine your skills and gain hands-on experience in our industry-standard kitchens, as well as in our on-site dining venues, including Taste, Taste On The Go, and The Arches.

Throughout the week, you'll also get to cook and serve dishes to paying customers, allowing you to experience the fast-paced, dynamic environment of the industry while being part of a professional team in real customer-facing scenarios.

In addition to the core curriculum, you'll have the opportunity to broaden your learning through a variety of trips and visits, including an exciting overseas trip. These experiences allow you to gain insight into global culinary practices and hospitality trends.

You'll also benefit from guest speakers and workshops led by industry leaders, giving you a unique perspective on the latest innovations and best practices in the industry.
