Media

Our media courses give you the opportunity to develop skills in cinematography, sound recording and post-production editing across a range of genres.

During your time here you'll also be able to produce your own short films, posters, adverts, music videos and much more, to really build your portfolio.

At Chesterfield College, we have excellent facilities including a range of full-size video cameras, podcasting suites, recording studio, broadcasting studio, lighting kits, camera stabilisers, Mac editing suits,

and much more.

With the latest software and technology, you can really get to grips with the equipment you'll be using if you continue onto a career in media.

Did you know?

Media students have enjoyed incredible placements and live projects in recent years, including Chesterfield FC, Derbyshire Radio and Sheffield FC.
